unusual conditions or necessity, shall be limited to a legal subdivision of 40 acres or less and may be revoked at any time. Each license to mine shall terminate at the end of 2 years from the date of issuance, unless an application for a 2 year renewal is filed and approved before its termination date.

(b) A license to mine to a municipality may not exceed 320 acres for a municipality of less than 100,000 population, 1,280 acres for a municipality between 100,000 and 150,000 population, and 2,560 acres for a municipality of 150,000 population or more. A license to mine to a municipality shall terminate at the end of 4 years from the date of issuance, unless an application for a 4 year renewal is filed and approved before the termination date.

(c) (1) The authorized officer may authorize a recognized and established relief agency of any state upon the agency's request, to take government-owned coal deposits within the state and provide the coal to localities where it is needed to supply families on the rolls of such agency who require coal for household use but are unable to pay for that coal.

(2) Tracts shall be selected in areas assessed as acceptable for mining operations and at points convenient to supply the families in a locality. Each family shall be restricted to the amount of coal actually needed for its use, not to exceed 20 tons annually.

(3) Coal shall be taken from such tracts only by those with written authority from the relief agency. All mining shall be done pursuant to such authorization.

Subpart 3451—Continuation of Leases: Readjustment of Terms

§ 3451.1 Readjustment of lease terms.

(a) (1) All leases issued prior to August 4, 1976, shall be subject to readjustment at the end of the current 20-year period and at the end of each 10-year period thereafter. All leases issued after August 4, 1976, shall be subject to readjustment at the end of the first 20-

§ 3451.2

year period and, if the lease is extended, each 10-year period thereafter.

(2) Any lease subject to readjustment which contains a royalty rate less than the minimum royalty prescribed in §3473.3-2 of this title shall be readjusted to conform to the minimum prescribed in that section.

(b) If the lease became subject to readjustment of terms and conditions before August 4, 1976, but the authorized officer prior to that date neither readjusted the terms and conditions nor informed the lessee whether or not a readjustment would be made, the terms and conditions of that lease shall not be readjusted retroactively to conform to the requirements of the Federal Coal Leasing Amendments Act of 1976.

(c)(1) The authorized officer shall, prior to the expiration of the current or initial 20-year period or any succeeding 10-year period thereafter, notify the lessee of any lease which becomes subject to readjustment after June 1, 1980, whether any readjustment of terms and conditions will be made prior to the expiration of the initial 20-year period or any succeeding 10-year period thereafter. On such a lease the failure to so notify the lessee shall mean that the United States is waiving its right to readjust the lease for the readjustment period in question.

(2) In any notification that a lease will be readjusted under this subsection, the authorized officer will prescribe when the decision transmitting the readjusted lease terms will be sent to the lessee. The time for transmitting the information will be as soon as possible after the notice that the lease shall be readjusted, but will not be longer than 2 years after such notice. Failure to send the decision transmitting the readjusted lease terms in the specified period shall constitute a waiver of the right to readjust, unless the delay is caused by events beyond the control of the Department.

(d) In the notification that the lease will be readjusted, the authorized officer may require the lessee to furnish information specified in §3422.3-4 of this title for review by the Attorney General as required by section 27(1) of the Mineral Leasing Act of 1920, as amended. If the authorized officer requests the information specified, no

43 CFR Ch. II (10-1-08 Edition)

lease readjustment shall be effective until 30 days after the authorized officer has transmitted the required information to the Attorney General. The lease shall be subject to cancellation if the lessee fails to furnish the required information within the time allowed.

(e) The Governor of the affected State will be sent a copy of the readjusted lease terms.

[44 FR 42635, July 19, 1979, as amended at 47 FR 33146, July 30, 1982; 48 FR 37656, Aug. 19, 1983; 53 FR 37300, Sept. 26, 1988]

§ 3451.2 Notification of readjusted lease terms.

(a) If the notification that the lease will be readjusted did not contain the readjusted lease terms, the authorized officer will, within the time specified in the notice that the lease shall be readjusted, notify the lessee by decision of the readjusted lease terms.

(b) The decision transmitting the readjusted lease terms and conditions to the lessee(s) of record shall constitute the final action of the Bureau of Land Management on all the provisions contained in a readjusted lease and will be provided to the lessee(s) of record prior to the anniversary date. The effective date of the readjusted lease shall not be affected by the filing of any appeal of, or a civil suit regarding, any of the readjusted terms and conditions.

(c) The readjusted lease terms and conditions shall become effective on the anniversary date;

(d) The lessee may appeal the decision of the authorized officer in accordance with the procedure set out in 43 CFR part 4; and

(e) Regardless of whether an appeal is filed by the lessee(s), all of the readjusted lease terms and conditions, including, but not limited to, the reporting and payment of rental and royalty, shall be effective on the anniversary date.
